

Greetings My Cornerstone Family and Friends

The Livingstone Women Ministry will be working on two projects to help those in need.

Project 1: Cornerstone Missional Baptist Church food pantry. As we shop for ourselves, remember to pick up items also for the food pantry. This mission will be continuous to ensure there will always be food available for those seeking assistance.

Donations or gift cards for the pantry are appreciated. Just a little from everyone will make a significant difference. Put cards in an envelope marked CMBC Food Pantry.

Project 2: The Women and Children emergency shelter here in the Greenville area. If bus passes or gift cards for the shelter are given, please place in an envelope and label Women and Children Emergency Shelter. This will be an once year Collection.

We are collecting their Wish List items to support the families living at the shelter. A box(es) will be available at the church. We would like to deliver by **October 6, 2022**.

Let us reach out and touch someone that may need support, encouragement, a smile, and a little happiness in their life.

You can contact Sister Marian Purvis at 252-756-9357 for more information. Leave your name, phone number and a brief message.

Livingstone Women's Ministry
