Grace, Mercy, and Peace be unto you!

On the heels of the Resurrection, while still joyful, I'm reminded of the redeeming work Christ did on the cross. The Bible reminds us that they hung and stretched Him. Christ was stretched to reach us all.

It is my prayer as we enter this second quarter of the year 2024, that we be intentional about stretching; reaching the world for Jesus Christ, who has stretched for us.

I am confident that when we begin to stretch, God will supply all that's needed for the task.

Let's stretch, in anticipation of the Holy Spirit, whom the Father has sent to Teach and Guide us into all Truth.

Beloveth, "let us do the work of Him that sent us while it is yet still day." John 9:4.

Let's celebrate the Resurrection, looking forward to Pentecost and beyond.

Because of Calvary,

Stephen Greene Howard

"When the day of Pentecost arrived, they were all together in one place. And suddenly there came from heaven a sound like a mighty rushing wind, and it filled the entire house where they were sitting. And divided tongues as of fire appeared to them and rested on each one of them. And they were all filled with the Holy Spirit and began to speak in other tongues as the Spirit gave them utterance".
